Strong problem-solving skills and attention to detail

Excellent communication skills and the ability to work effectively in a team environment

02 EMPLOYMENT HISTORY

Sep 2021 — Present

Resita

Frontend Developer at Uzum Gelica Cosmina PFA

Collaborating as freelancer with B2B model, on frontend and backend projects where I use JavaScript, OScript, HTML5, CSS3, Azure, SQL, OpenText and SAP products.

2019 — Jun 2021

Timisoara

Frontend Developer at Upwork

Started like Entry level Front-end Developer I worked on Upwork platform from small projects and continuing with complex projects for different clients from all over the world. I have develop more than 20+ responsive websites using JavaScript, JQuery and ReactJs.

I created a responsive site that had the Holy Grail layout. It consisted of a sticky header, two sidebars, main and footer.

Other jobs consisted in creating websites for martial arts courses, for trade in which there was a guest house with all the services offered.

Sep 2010 — Aug 2017

Timișoara

Teacher at High School and Elementary School

I taught Romanian language and literature, along with French and Latin. I developed my creativity and organizational style by preparing the most diverse lessons to be understood by each individual student.
